MEMORANDUM FOR THE RECORD

SUBJECT: CIA Subcommittee of House Armed Services

REFERENCE: Memo to DCI dated 19 May 1960

The Director did read the attached memorandum and in a telephone conversation with Mr. Kilday where he brought up the problem of CIA briefing the House Foreign Affairs Committee, the Director mentioned the fact with regrets that he had not briefed the Kilday group earlier on the U-2 and did state he would like to meet with Mr. Kilday later. Therefore, [REDACTED] returned the memorandum suggesting we raise it at a later date. With the Director going abroad it was not raised again.

STAT

I requested Mr. Kirkpatrick to raise it at the Deputies' meeting which was done on 22 June. After considerable discussion, it was agreed we should make an offer to the Kilday Subcommittee to meet with them for a further briefing and indicate that we would discuss with them a number of interesting matters. In other words, we were to make a pitch in a low key. This was done to Smart who seemed interested and he will talk with Mr. Kilday.
